It's the basis of the world's wealth, the wellspring of life.

It is the source of food, it is legacy, sanctuary, security, investment and savings. It is a place to gather. It is a place to find oneself.

The Finger Lakes

This area, ten miles southeast of downtown Ithaca, is rated by organizations such as Forbes Magazine, Money Magazine, Zagat, CNN Money, MSN Real Estate, US News and World Report (to name a few) as ONE OF THE BEST PLACES IN THE US to live, vacation, work or invest! Ithaca is renowned for its stunning natural features, such as waterfalls, gorges, glacial lakes, and State Parks. Still, it's also known as a vibrant city with art and culture due to the influence of its Ivy League University, Cornell as well as Ithaca College, one of the premier liberal arts schools in the country. There are more restaurants per capita in Ithaca than in NY City, and it was named by Bon Appetit Magazine as "One of America's Foodiest Towns"!

This area is also known as the Napa Valley of the East with numerous vineyards that surround Cayuga Lake, the largest of the Finger Lakes, just a 5-minute drive away.
